

## **Feeding/Tableware – Dandelion ReUsables**

### **BPA free Feeding – Corn Infant Bowl & Spoon Set**

#### Product Description:

ReUsables: a Feeding Collection made from Corn... really!

- Made from a unique corn bioplastic (PLA) formula.
- Naturally...BPA free, Phthalate free and PVC free
- Corn is a renewable and sustainable resource.

ReUsables **Infant Bowl & Spoon** is a winning combination! Sectioned bowl makes it easy to offer new food choices, and the clever holding tab allows it to rest comfortably in your hand. Long handled spoon is a classic parent favorite. Hand Wash recommended.

- \* Not for use in microwave
- \* Bowl 5 ½" x 3 ½" x 1 ½"
- \* Spoon 6" long

#### Short Description:

Made from Corn! Naturally BPA free, Phthalate free and PVC free. **Infant Bowl & Spoon** is a winning combination: sectioned bowl, with clever holding tab and a classic long handled spoon. Hand Wash

### **BPA free Feeding – Corn Infant Spoons**

#### Product Description:

ReUsables: a Feeding Collection made from Corn... really!

- Made from a unique corn bioplastic (PLA) formula.
- Naturally...BPA free, Phthalate free and PVC free
- Corn is a renewable and sustainable resource.

The newest ReUsables, **Infant Spoons** are the smart choice for parents: the long handles make it easier to get food out of the jar, and the narrow bowl is perfect for baby's little mouth. Set of 6, so you can take an extra one along wherever you two wander! Hand Wash recommended

- \* Set of 6
- \* Not for use in microwave
- \* 6" long

#### Short Description:

Made from Corn! Naturally BPA free, Phthalate free and PVC free. Set of 6 **Infant Spoons**: long handles easily get into jars, and the narrow bowl fits baby's little mouth. Hand Wash
